

Step 3: Gift Aid it

Gift aid is a simple way to increase the value of your donations to Hospice in the Weald, at no extra cost to you.

giftaid it

If you are a UK taxpayer, Hospice in the Weald can reclaim the basic rate tax (25%) on your donation.

If a donation sells for £20.00 using Gift Aid, this is worth £25.00 to Hospice in the Weald.

By signing I confirm that I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax in the current tax year than the amount of Gift Aid claimed on all my donations it is my responsibility to pay any difference. Terms and Agreement are overleaf.

TERMS & CONDITIONS AND GIFT AID AGREEMENT

1. You are appointing Hospice in the Weald (Trading) Ltd. to act as your agent on your behalf in attempting to sell or dispose of the goods that you bring into the shop. Where goods are sold, a commission of 1% of the sale price +VAT will be charged for this service and deducted from the proceeds of sale.
2. You as an individual rightfully own all of the goods that you bring into the shop for sale. You agree that neither Hospice in the Weald (Trading) Ltd. nor Hospice in the Weald will be responsible for any loss or damage to any goods brought into the shop for sale.
3. You confirm that Hospice in the Weald (Trading) Ltd. is instructed, as your agent, to donate the net proceeds of sale of your goods to Hospice in the Weald and that it is not necessary to write to you to confirm the donations, provided that the total value of the net proceeds of sale of your goods so far in that tax year has not exceeded £1000. Once a sale is made that brings the total value of the net proceeds of sale of your goods to more than £1000 we will write to you to confirm your consent to those funds over and above the initial £1000 being donated. You may notify us in writing at any time, if you no longer want this arrangement to apply.
4. You are a UK tax payer and you would like Hospice in the Weald (Trading) Ltd. to make donations to Hospice in the Weald on your behalf and you would like all donations that you make, or have made in the last four years, to be treated as Gift Aid donations (until you notify us otherwise or this agreement is terminated).
5. You confirm that you have paid income or capital gains tax (in the UK) for the year of the donation equal to the tax that will be claimed (25p in the £1).
6. If more than one Gift Aid donation has been made in the tax year the value of these donations will be added together to work out the tax you will be charged with. If you are not charged with sufficient tax to cover the Income Tax deducted from your Gift Aid donations then you will owe the amount of the difference in tax to HM Revenue and Customs.
7. You will let us know of any change in your tax status and/or address and contact details.
8. You waive the right to claim interest that may have accrued on any cash you decide to reclaim from the sale of the items. Any reclaim is subject to an administration charge of £100 or 20% of the reclaim amount -whichever is the greater.
9. Either party may terminate this agreement at any time by written notice.
10. We may vary the terms of this agreement at any time by written notice to you.
11. The information provided on this form will be stored on a computer system registered in accordance with the Data Protection Act 1998.
12. To claim a lottery prize you must be 18 years old or over. If you exceed 90 points and you are under this age we will send an alternative replacement as your reward.

People are at the heart of what we do

We put patients first and provide innovative end of life care. Every patient and those important to them receives care based on their needs; everybody is treated as an individual. We provide care which is completely tailored to each person as an individual, to help our patients make decisions that are right for them and their loved ones.

We care for loved ones too

We want to ensure that anyone affected by a terminal illness; not just patients, but also those important to them, can access the support they need when they need it. Whether this means a family member or friend, our Services will provide support to anyone important to a patient.

We're there day and night

We're there 24/7 for anyone who needs us, caring for our patients, as well as those important to them, providing physical, medical and emotional support through our services. Anyone can also access our 24/7 Help Hub, full of information, advice and guidance, including direct contact with our team.

All of our services are offered completely free of charge

We are not part of the NHS or any other organisation. It costs over £8 million to run the Hospice each and every year. Nearly 90% of our funding is donated by the community we serve and we are dependent on the generous donations of our supporters in order to maintain our vital services. We make more from donated goods to our charity shops, over £1 million every year. That's more than we receive in government funding. All because of your support.
